Keyhole Bracket/  
3M Command™ Strips

Keyhole  
Brackets.

## DIMENSIONS:

Tile construction is from 6/9mm medium density fibreboard (MDF) adhered (using water based adhesive) to 18mm sound absorbing foam.

Sound absorbing foam is tested to

0.43. Based upon test reports 1306-1040 to 1042 and C/23213/T01.

On average each tile is manufactured from materials with 71% recyclable content.
